Healthy Relationships, Healthy Communities

This year the Ismaili Muslim Community is proud to partner with the Calgary Women's Emergency Shelter for its Stampede Celebrations. The Community's 2009 Stampede Float will highlight the role that relationships of respect, trust and care contribute to building healthy relationships and vibrant communities. The partnership will underscore common values of volunteerism, respect for diversity, dialogue and mutual understanding. For more information, visit www.calgarywomensshelter.com.

The Ismaili Muslim Community

The Shia Imami Ismaili Muslims are a community of ethnically and culturally diverse peoples living in over 25 countries around the world, united in their allegiance to His Highness Prince Karim Aga Khan as the 49th hereditary Imam or spiritual leader, and direct descendant of Prophet Muhammad (peace be upon him and his family). Ismailis settled in Calgary occupy a variety of positions across the public, private and voluntary sectors. Striving to live within the ethic of their faith, the community embodies a strong spirit of volunteerism and support for humanitarian causes. For more information, visit www.theismaili.org and for the humanitarian activities of His Highness the Aga Khan visit www.akdn.org.
