

~The Night of Power~

The warm
Serene
Blessed
Night
Of
Ramadan
Is
Illuminated
With
Shimmering stars
To convey
The glory
Of
Seraphic
Shab-e-Qadr.

The Wispy
Curly
Puffy
Clouds
Veiled
With
Honor
And
Delight
Are
Racing
To
Carry
The Angels
From
The heaven.

The ethereal breeze
Is
Softly humming
Sacred odes
To emanate
The holy message
Of
The Divine.

The pious
Spiritual beings
Are
Set into action
To sprinkle
The pearls
Of
The Almighty's
Favors
And
Benedictions.

The approach
Of
'The Night Better than a thousands months'
Is
Bringing forth
A dazzling
Smile
On
Every
Mureed's
Countenance.

Elderly,
Youths
And
Children
Are
Exuberant
To be
Mesmerized
In
The holy experience
Of
Laylat al-Qadr.

On the splendid Night of Destiny
Hearts are occupied
With
Invoking, and
Seeking
Forgiveness
To
Purify
The souls.

Solemnly
Reciting
The pious names
Of
The Almighty
For
The grace
To be bestowed

For
The grace
To be bestowed
On the
Glorious
Night of Power.

On the
Glorious
Night of Power.

By ~ Noori Mamdani

*"Blessed indeed is the Night of Power! -
When the Mercy of Allah's Revelation breaks through
The darkness of the human soul!
All the powers, of the world divine,
Speed on their mystic Message of Mercy,
By Allah's command, and bless every nook
And corner of the heart! All jars
Are stilled in the reign supreme of Peace,
Until this mortal night gives place
To the glorious day of an immortal world!"
The Holy Qur'an C.277 (97:1-5.)*
