Spiritual Beloved

In different colors of spring,
I witness joyous glimpses of you
May my heart finally rest,
From its unsatiated pursuit.

Your luminous countenance,
In beauty and elegance, dressed;
May it, o blossom-visaged,
In my heart's mirror, manifest

These tears of my heart's blood,
That in your love fell from my eyes;
With their color, o blossom-visaged
Let this sage's robe be dyed
